Internships

Eidiko Systems Integrators

Hyderabad

Spring boot Developer

Sep 2023 - Dec 2023

- Expertise in designing and implementing user interfaces, handling server-side logic, managing databases, and ensuring the overall functionality of web applications.
- Able to work across the entire development stack allows you to create holistic and efficient solutions, contributing to the success of diverse digital projects.
- Collaborative team player with excellent communication skills and a passion for creating exceptional user experiences.
- A Team Leader with a proven track record of successfully guiding and motivational cross-functional teams in delivery of high-quality projects, demonstrating effective leadership,communication and problem-solving skills.

Projects

Bank-Management

Angular, Sprin Boot

bank-atm-application

Bank

- Spearheaded the development of a comprehensive Bank-Management Application, overseeing critical functionalities including account management, transaction processing, and user authentication
- Implemented a modular design to facilitate seamless integration and communication between various application modules, ensuring efficient collaboration across different departments.
- Leveraged cutting-edge technologies such as Angular for crafting dynamic and responsive user interfaces, Spring Boot for robust server-side logic, and MySQL for maintaining a flexible and scalable database architecture.
- Engineered secure user authentication mechanisms using Spring Security with JSON Web Token (JWT), restricting access to sensitive information and transactions exclusively to authenticated users.
- Integrated email functionalities to enhance user interaction and communication within the application ecosystem.
- Successfully delivered a high-performance and scalable solution, meeting stringent quality standards and exceeding client expectations.

Technical Skills

Programming Languages	Java, typescript
Libraries/Frameworks	Angular, Spring Boot, Spring Data JPA, Spring Security, Git, HTML5, CSS3
Tools	STS, Eclipse, VS code, Git, Docker Hub, Post Man
Database	MySql, Oracle
Deployment	AWS, Netlify, Docker

Education

Prakasam Engineering College kandukur

AndhraPradesh, India

BTECH in Electrical and Electronics Engineering

June. 2019 - Mar. 2023

- 6.70/10

Govt.Polytechnic college - Chandragiri

AndhraPradesh, India

DIPLOMA in Electrical and Electronics Engineering

July. 2016 - April. 2019

- 65.67%

MJP AP BC WR School Srisailam Dam -East

AndhraPradesh, India

SSC in General

July. 2015 - April. 2016

- 7.7/10
